

CHOCOLATE CRAVINGS

John Kelly Chocolates
John & Kelly have created a completely unique and deeply satisfying (not too sweet, which we love) treat, chocolate covered truffle fudge.

- **John Kelly Chocolates** - John & Kelly have created a special treat. They call it truffle fudge, don't let the "fudge" part fool you. This creation is more of a chocolate covered truffle bar. It comes in a few size "bars" - one being a 2 oz. portion control! They are deeply satisfying but not "sweet". Wrapped like pieces of gold, they are in sophisticated packaging.
